

End of year / Start of year

Dear parents

We have come to the end of another year at Centennial and there has been a great deal achieved. The last weeks of this term have been very busy as the photos reflect below and we are all a little jaded.

I hope you will all have a wonderful Christmas, a happy new year and a chance to have some quality family time over the break.

Things to remember for the first term

The start of next year is on Tuesday the 30th of January for the students. Teachers will be about off and on during the week before this and on Thursday 25th and 26th we have teacher only days. During the second week of term on Wednesday the 7th February there will be a FAST meeting. At this meeting the fair will be being organised.

Education outside the classroom will be in week 6 or the first week of March. All classes are involved and will be leaving the school for activities around the district.

The Life Education van arrives at school on the 21st February. All classes will be involved with this programme

Kiwican will run right across the school. We have two new leaders, Shardous and Kayla. Every class will have the lesson on a Monday.

Easter is outside the start of term holidays so we will all have a break at the end of March and the return to school for two weeks before the end of term in mid-April.

I would like to express my gratitude to everyone who has helped to make this a successful year for Centennial School. I am looking forward to working with you all again next year so rest well and enjoy the holidays

Kind regards

Jonathan
